- Color Correction and Color Grading: DaVinci Resolve
- Audio Post-Production: Avid Pro Tools
- Adobe After Effects, Photoshop and Illustrator
- Single and Multi-Camera Production
- Camera Operation: Canon T8i, Panasonic AG-AC130, Blackmagic Studio Cameras
- Scriptwriting and Story Development
- Media Organization and Post-Production Workflows

Experience

Green Apple Entertainment | May 2026 - August 2026 | Blue Ash, OH | *Summer Intern*

- Organized and synchronized audio, video, and project assets to support feature-film post-production workflow.
- Edited promotional trailers using Adobe Premiere Pro.
- Assisted with packaging and delivery of content for streaming platforms, including image preparation and graphic asset management in Adobe Photoshop and Illustrator.
- Supported project server maintenance, media backups, and digital asset organization to ensure efficient production operations.

Trinity Episcopal Church | August 2021 - May 2026 | Covington, KY | *Parish Administrator*

- Produced and edited weekly service bulletins and digital content for church communications.
- Created and distributed newsletters, website content, email campaigns, and blog posts to support community engagement.
- Managed executive scheduling, travel coordination, and calendar administration for church leadership.
- Coordinated volunteers, meeting schedules, facility usage, and organizational communications across multiple departments.
- Maintained confidential financial and membership records while supporting accounts payable, accounts receivable, and benefits administration.
- Provided operational and administrative support that enabled efficient day-to-day church operations.
